Subject: Annulment/Cancellation of the result of the Public Bidding for the Procurement of Various Agricultural Machineries & Equipment last November 7, 2018, funded under the OPAPP.

Sirs/Mesdames:

This is to inform your company, as the Head of the Procuring Entity of the Provincial Government of Sultan Kudarat, we decided to annul and cancel the concluded public bidding conducted last November 7, 2018, due to circumstances beyond our control.

Further, due to the recent scenarios and issues confronting the leadership of the Office of the Presidential Adviser on Peace Process (OPAPP), being the funding agency of the projects bid out, wherein only 90% of the funds was released to the Provincial Government of Sultan Kudarat, we may find difficulties in paying the remaining ten percent (10%).

We are very sorry for all the inconvenience we have caused you and rest assured we will refund your payment incurred in the purchase of bid documents.

In connection with the above facts, you and/or your representative can visit the office of the BAC Chairman or call telephone no. 064-201-3024 for further clarifications.

Hoping for your kind consideration regarding this matter.

Very truly yours,

DATU PAX S. MANGUDADATU, AL HAJ
Provincial Governor
